CAMBRO Ultimate Sheet Pan Racks

Holds full-size and half-size sheet pans. Can hold sheet pans right out of the oven, or in your freezer or blast chiller. Temperature tolerance of -36°F to +190°F. Constructed with 100% composite plastic material that is non-rusting and virtually unbreakable. Easy to clean. Every single part can be replaced if damaged, ensuring a lifetime of service.

350 lb. weight capacity per rack for full size units. Plastic swivel casters, two with brakes. Undercounter units feature metal casters. Ships knockdown with factory pre-assembled side rail panels. Assembles in three easy steps.

Optional covers include two full-length zippers. **Model #250-87W** is insulated to keep food hot or cold for up to an hour.
