

Super Pan V®

Heavy duty, 22 gauge stainless steel construction. Anti-jamming design prevents pans from sticking together. Flattened and rolled edges seal in hot and cold. Portion control capacities are stamped on every pan. NSF listed. Easy-to-clean. Tapered corners allow for easy pouring and will resist dents and dings. Compatible with Super Pan II® pans, covers and accessories. Will not stack with Super Pan 3®. Lids constructed of heavy duty, 24 gauge stainless steel.
