

## CAMBRO

### Camwear® Cold Food Pans

Use just one container for storing, transporting and serving. Nonstick interior increases yields.

- 40°F to +210°F
- Polycarbonate:** Construction provides visibility, durability and stain resistance.
- Clear. (Black also available except as noted.)
- Standard and metric graduation markings

**Cover with Handle:** Deep molded in handle for a secure grip.

**Flat Cover**

**Notched FlipLid®:** Spoon can rest in contents with lid closed. Lid flips up for easy access.

**Seal Cover:** Eliminates the need for plastic wrap.

**GripLid®:** Molded-in gasket grips the side of the pan for a tight seal, effectively eliminating spills.

**Drain Shelf:** Supports products and promotes drainage.

**Colander:** Ideal for prepped produce, defrosting meats and storing seafood.
