

CAMBRO

Translucent Food Pans

Nonstick smooth interior. Not designed for steam tables. NSF listed. BPA-free construction. Dishwasher safe.

- -40°F to +160°F
- **Translucent Propylene:** Construction provides sturdiness and durability.

Cover with Handle:

Translucent covers include top inset handles for convenient serving.

Smooth Cover:

Available for ninth-size pans only.

Seal cover:

Reduces the need for film and foil.

Drain shelf:

Available for all pan sizes.
