**Except adjustable "Quick Release" wire shelving*

POLYMER

MetroMax® i Drying Rack Shelving Systems

Promotes food safety by the elimination of moisture. Interchangeable shelves to fit any foodservice's needs. Provides for an efficient and organized drying area with superior air circulation. Purchase **drying rack shelving units** for a complete system, or add **drying racks** (for trays or pots and pans) to existing MetroMax shelving.

Shelf Weight Capacity
Standard or Mobile Shelves = 800 lbs.
Tray and Pot/Pan Drying Racks = 300 lbs.

LIMITED LIFETIME WARRANTY AGAINST RUST AND CORROSION

Polymer and stainless steel construction. Built-In Microban® antimicrobial protection defends against mold, bacteria and mildew. Standard and tray drying rack shelves feature MetroMax open-gridshelf mats that lift off easily and are dishwasher safe. Mobile units include casters, two swivel and two brake. **Weights shown are approximate*
