

Need help choosing your floor mat?

ANTI-FATIGUE

- Alleviates foot and lower back pressure while stimulating blood circulation
- Helps to reduce stress on lower back leg joints and major muscle groups

GREASE RESISTANT

- Suitable for use in kitchens, bars and other foodservice areas where durability, grease resistance and drainage are priority

ENTRANCE

- Conceals dirt and debris
- Ideal for any medium traffic areas including lobbies

INDOOR/OUTDOOR

- Heavy duty
- Defends against tracked-in dirt by scraping debris and moisture from shoes

ANTI-FATIGUE

Hugo Heavy Duty Mats

Lighter weight makes handling easy. Three mat connectors required for each connection. Optional ramp recommended. ~Made In The USA~

- 7/8" thick
- Drain holes
- Black
