

WaveBreak® 2.0 Mop Bucket/Wringer Combos

35 Qt. capacity mop buckets feature "caution" logo. 3" nonmarking casters. Mop wringer available with side press for small to medium jobs or down press for heavy duty jobs. Specify Yellow or Brown for combos and wringers.

- Reduces wave motion, resulting in up to 80% less splashing
- Built-in foot-operated drain helps empty heavy mop buckets into floor drains
- Wringer is designed to last 5 years or 200,000 cycles
- Integrated handles, sink ledge and pour spout provide control while lifting and emptying
- Buckets stack, even with casters attached
- Optional 18 Qt. red dirty water bucket

FIVE YEAR WARRANTY ON WRINGERS

Specialty Mops

Lightweight. Microfiber on #529-018 and #529-019 picks up more dirt than traditional mops and requires less chemicals. Headbands resist breakage and streaking.

24 oz. capacity. 1" headband. Specialty wiper material eliminates a break-in period. Does not leach oils like cotton. Cut and loose ends. White. Hand washable.

Model#	Your Cost
529-020	\$5.19

32 oz. capacity. 5" headband. Looped ends provide more durability. Blue. Machine washable.

Model#	Your Cost
529-018	\$12.99

Microfiber String Looped End Mop Heads

Picks up dirt more efficiently than traditional mops, resists fraying, and does not streak. 4 1/2" headband with scrub pad material for removing difficult dirt. Machine wash/dry up to 250 times. Model #038-023 compares to a 24 oz. traditional mop; #038-024 to a 36 oz. Available with Blue, Green, Red, or Yellow stripe.

Model#	Mop Capacity	1-11
038-023	11 oz.	\$14.67
038-024	16 oz.	19.85
