**Spill Mop Pads and Handle**

**Spill Mop Pads:** Each pad is made with highly absorbent material designed for quickly removing liquid, water-based spills. Pads turn liquid into gel so that once liquid is fully absorbed, it will not drip. Each pad holds up to 32 ounces of liquid. **Model #972-6V9** is designed for biohazard spills, and holds up to 13 1/2 ounces of NaCl 0.9%. *Sold in packs of 10.*

**Spill Mop Handle:** Features an integrated easy release lever for simple disposal of used pads, preventing cross contamination. Adjustable from 22 1/2" L to 47 1/2" L.

**Spill Mop Cabinet:** Storage container can hold (1) Spill Mop handle and up to two packs of Spill Mop Pads (20 pads total). It can be mounted on most wall surfaces for quick and convenient access in the event of spills. Includes hardware kit for mounting.

**Spill Mop Kit:** Includes Spill Mop cabinet, handle, and (1) pack of pads. Available with general pads or biohazard pads.
