975-041	Twill	Box	13.59	12.49										

TABLE SKIRTING EASY STEP BY STEP ORDERING

- Specify Fabric & Color:** Twill is an economical option. Duralast™ Oxford has a tighter weave that absorbs liquids for easy clean up and spill control.
- Specify Pleat Style:** Accordion, Boxed, or Shirred.
- Specify Amount:** Measure in feet/inches the outer perimeter of the table for all sides that the skirting will cover. If you decide not to skirt one or more sides because they will not be visible, only measure the sides you do wish to skirt but add at least 6" overlap return on each end.
- Specify Clip Type:** Standard clips are unbreakable metal with web backing and provide a snug fit around any corner or table shape. Plastic clips with velcro backing are great for quick setups and tear-downs.
