

Chafer Pans

Full-size pan divided into two sections. Eliminates the need for adapter bars. 12³/₄"Wx20³/₄"Dx2¹/₂"H.

Model# 269-215 Your Cost **\$55.19**

Dripless style water pan prevents condensation from dripping onto table. Fits most standard 12"Wx20"D full-size pan chafers and accommodates two half-size pans or divided pan #269-215. 12"Wx20"Dx4¹/₂"H.

Model# 913-080 Your Cost **\$53.59**

Chafer Storage Boxes

Permanently affixed hinged lids open and close with ease. Heavy-duty impact resistant plastic construction with integral handles. Nestable and stackable. Integral holes allow for totes to be padlocked. Chafers will need to be stored with the lid inverted, and coffee urns will need to be stored on their side.

| Model# | Color | WxDxH | Wt. | Your Cost |
|---------|-------|--|-----|----------------|
