EVERPURE Water Filtration Systems and Cartridges
INSURICE WATER FILTRATION SYSTEMS

Less ice machine downtime and lower maintenance and service costs. Simple and quick cartridge replacement (recommended every six months). Includes head assembly with mounting bracket, pressure gauge and cartridge(s). *Standard plumbing installation required.*

Reduces:

- Off-tastes and odors
- Particulates that result in cloudy ice
- Scale build-up, corrosion and clogging
- Harmful cysts and other contaminants

FIVE YEAR LIMITED WARRANTY ON SYSTEMS, ONE YEAR LIMITED WARRANTY ON CARTRIDGES

FREE SHIPPING

Model#	Cartridge Description	For Machine Production	Water Line Connection	Your Cost
