

APW *u.you!* **High Wattage Stainless Steel Overhead Food Warmers**

Mirror-finished stainless steel reflectors behind heating elements radiate more heat toward food. Controls on chef's right side. 6"Dx2 1/2"H. Please specify 120V, 208V or 240V (except as listed below). Single phase. 6' cord and plug set available for 120V warmers up to 48"W. *Must be ordered with equipment and factory installed.* **Optional chain supports.** Please specify length.

Optional portable leg kit allows you to set up the warmer for freestanding operation (includes accessories).
Optional tubular mounting legs are available for permanent counter mounting. Both leg options are sold by the pair of two legs.
Optional chain supports are sold by the foot. Please specify length.

Hatco **High Wattage Aluminum Overhead Food Warmers**

Extruded aluminum housing is very strong and eliminates the danger of sagging in the middle. Pre-focused heat maintains serving temperatures longer without continuing to cook the food. Heavy duty insulation minimizes heat loss, which helps to reduce energy costs. 6"Dx2 1/2"H. Single phase.
