

Pan Extenders

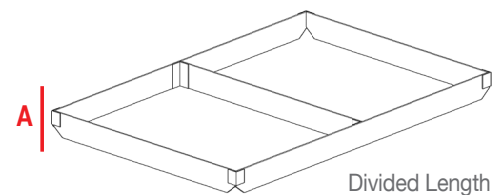

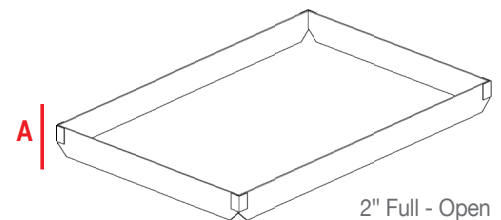

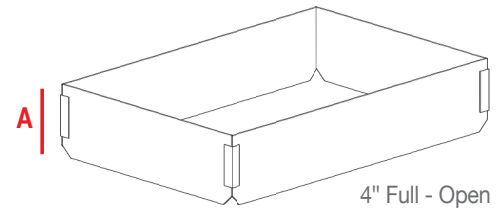

- Innovative design yields straight sides and insulates product edges
- Minimizes over-baking and eliminates trimming losses
- Promotes uniform height, color and texture over the entire surface
- Results in smooth edges for easier icing
- Available in a variety of configurations
- May be used for baking sheet cakes, brownies, corn bread, sweet rolls and related items
- Custom configurations are available
- Can accommodate standard baking temperatures

At your service. Functionality, durability, easy cleaning, and a variety of sizes and shapes all contribute to the wide popularity of MFG pan extenders.
