Blodgett agrees to pay the authorized Blodgett service agency within the United States or Canada for any labor required to repair or replace, at Blodgett's option, any part which proves to be defective due to defects in material or workmanship during the warranty period. This warranty includes travel time not to exceed two (2) hours and mileage not to exceed one hundred (100) miles, round trip.

This warranty does not cover any defect due to, or resulting from, ordinary wear and tear, handling, abuse, misuse, improper ventilation, or harsh chemical action, nor shall it extend to any unit from which the serial number has been removed or altered, or modifications made by unauthorized service personnel or damage by flood, fire or other acts of God. Adjustments such as calibrations, leveling, tightening of fasteners or plumbing connections normally associated with original installation are the responsibility of the dealer or installer and not that of Blodgett.

Blodgett, or its suppliers, shall not be liable, directly or indirectly, under any circumstances for consequential or incidental damages, including, but not limited to: (i) any loss of business or profits; and (ii) labor, material or other charges, claims losses or damages incurred or suffered from, in connection with or in consequence of the working upon, alteration, or repair of any such defective products or parts by persons or firms other than Blodgett.
