Meat Grinder

GSM50/GSM100

Meat Grinder

High performance meat grinders from General offer great value in any operation. Designed for daily continuous use in butcher shops, markets, delis or pizza shops, these powerful machines were built to perform. Fully gear driven, the meat grinders are supplied with a stainless steel food tray and grinding head, two extruder discs and a sanitary plastic food pusher. The body is crafted of polished aluminum alloy that is resistant to staining, salts and acids.
