Product Overview

Working with most liquid hand sanitizers MVP PPE's SANISTAND™ 1200 ml. Automatic Touchless Hand Sanitizer Dispenser in White is ideal for use in offices, schools, warehouses, food service facilities, manufacturing, hospitals and much more. It's also ADA compliant in force and one-handed operation, making it accessible to people with disabilities. Made with durable ABS plastic construction that is resistant to chemicals, heat and impact, this product is made to provide long-lasting strength and use, ideal for high-traffic areas such as restrooms, kitchens, break rooms and lunchrooms. Top dispensing technology reduces risk of leaking valves. Automatic, hands free operation for improved hand hygiene. Quiet, powerful battery-operated dispenser uses four C batteries (not included) for longer life. High 1200 ml (40 oz.) capacity dispenser helps reduce maintenance. Equipped with a site window so you can easily monitor the soap level refill when needed. Dispenser is equipped with lock and key. As a bonus feature it includes a floor stand for a freestanding option.
